

DO YOU LIVE IN THE PARKWAY ELEMENTARY SCHOOL AREA?

WE NEED YOUR HELP!

We need to conduct **internet speed tests** from your home during the evening hours **before May 14.**

**1 speed test on each of
3 separate days**

Why?

Asotin County could be eligible for federal funding for broadband. Speed tests can help show the area is underserved (receive less than 100/20 bps).

How?

Asotin County Library Digital Navigators will visit your home in the evening to run the short speed test on your computer - **1 test on 3 separate days!**

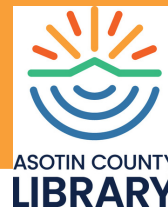

Please contact Erin Kolb, adult services librarian, to learn more and to schedule a day and time to test!

Call 509-758-5454

Internet for All in Washington

DO YOU LIVE IN THE PARKWAY ELEMENTARY SCHOOL AREA?

WE NEED YOUR HELP BEFORE MAY 14!

Does our map correctly
show you are getting
high-speed internet at
your residence?

Washington State
Department of
Commerce

You can help correct our map if it shows your service address can access high-speed internet, but it isn't available.

Step 1 —→ Step 2 —→ Step 3

Access our portal at
<https://bit.ly/speed-test-map>
to take a speed test

Enter your address into
the map and choose your
service location, then
select "choose Report
Service Issue"

You can help correct our
map if it shows your
service address can
access high-speed internet,
but it isn't available.

Please contact Erin Kolb, adult services librarian, to learn more and to schedule a day and time to test!
